		LOW IMPACT	HIGH IMPACT
BATTERY CHARGING	TEMPTATIONS/BREAKS	<p>OK as an occasional way of charging yourself up, so long as it is in moderation.</p> <p>Be honest with yourself about low impact.</p>	<p>OPTIMAL WORK</p> <p>Ideally 75% of your time is spent in this quadrant.</p>
	BATTERY DRAINING	WASTE OF TIME	<p>OBLIGATIONS</p> <p>Most jobs include some elements of this. But too much of it can lead to burnout.</p>
