

## Executive Leadership Training Programs - 2021

**Vistage Worldwide** has 60+ years of experience as a Leadership Training Organization. Training Magazine rates Vistage as #7 of 125 companies for their hands-on learning program that enables members **to grow 2.2 X faster than competitors** (Dunn and Bradstreet analysis). Their members have been the “heroes” in stories on how owners can exit at higher-than-expected multiples (e.g., [Built to Sell](#) and [Power of Peers](#)).

For years, **Vistage** has focused on YOU: the CEO/President/Managing or Executive Director. Now it offers programs to elevate the capabilities of other managers. These programs are designed to:

- Drive better outcomes.
- Improve retention and engagement.
- Create a stronger company culture.
- Enable you, the top leader, to tackle bigger challenges!

Program	Leadership Roles	Outcomes	Value to CEO
Chief Executive Small Business	CEO, President, Owner	Making great decisions to benefit company, family and community	
Key Executive	C-level Executives	Improving effectiveness of C-level executives to support strategy and drive results for CEO	Supporting the executives who help develop and execute strategy
Advancing Leader	Experienced and Advancing Managers	Develop strategic thinking and more effective execution skills to deliver results	Building leadership at all levels responsible for helping CEO deliver better results
Emerging Leader	Managers and Individual Contributors	Building foundational competencies for effective leadership	Building foundational knowledge to prepare the next generation of leaders
Vistage Inside	Teams and functional leaders within the same organization	Improving the effectiveness of teams to achieve specific results	High-performing team through improved alignment, collaboration and communication
